Hi, Hayly. Yes, we assigned the letter to OCSPP on February 22 (AX-19-000-3010). On March 12, they requested a due date extension through this coming Friday, which we granted. There's no draft in CMS at this point. Please let me know if you need anything else. Thanks.

Hi Brian,

Do you know if this was already sent to OCSPP?

All,

We have heard that CropLife has not received any response to this letter. Administrator Wheeler's response could be drafted by our office.

Is a response to this in any tracker?

Happy to help.
